- omarhseif04@gmail.com
- Madinaty, New Cairo
- https://www.linkedin.com/in/omar-farahat-313987277

TECHNICAL SKILLS

- Java
- Python
- SQL
- React
- MERN Stack
- Postman
- Data Structures
- REST APIs
- CCNA basic knowledge

SOFT SKILLS

- Problem Solving
- Resilience
- Adaptability
- Critical Thinking
- Teamwork

LANGUAGES

- English (Fluent)
- German (Basic A1)

PROFILE

Highly motivated Computer Engineering student. Passionate about leveraging technical skills. Seeking an internship to apply problem-solving abilities, collaborate in agile environments and contribute to innovative projects in software development, data science, cloud or security.

WORK EXPERIENCE

Orange Business
Cloud Intern
2024 (1 MONTH)

Etisalat e&
Application Support Intern
2024 (1 month)

EdgeConn
Network Intern
2023 (1 month)

EDUCATION

Bachelor of Computer Science
2021 - 2026 (4th Year)
Faculty of Media Engineering and Technology |
German University in Cairo
GPA: 1.8 / 5.0 (German GPA System)

Graduated from High School
2019 - 2021
Nermin Ismail School

PROJECTS

Implemented a full stack (MERN Stack) project that mimics trip advisor

Implemented a Donation website's frontend

Advising University System Website (Implemented the backend of advising systems in Universities using SQL with basic frontend to it using C#)

Magneto Glove (Implemented a glove-controlled car using an embedded gyro sensor for intuitive navigation.)

Implemented basic operating system scheduling algorithms and threads

Developed a basic game (developed a game to mimic "The last of us" using java.)
